Dear Marc,

Just a note to say thank you for the inspection you performed for me.  
I finally closed last week. Your professional, caring nature & unbiased report was  
much more than I imagined it would be.

As a first time home buyer, it was not easy being surrounded by the sellers, realtors,  
attorneys & my mortgage broker who all had a financial interest in the deal. You  
remained my last bastion of independence from the beginning to the closing. You also  
made yourself available after the inspection for all the times I called with questions  
& concerns.

I will highly recommend you to my family & friends for all their inspection needs.  
In a world full of people looking out for themselves, it was refreshing  
to have someone on my side whose integrity & concern for my best interests shined  
through.

Thanks again for a job well done!
